

MANCAL ENERGY INC.

A member of the Mancal Group

JOB POSTING

Manager, Land

LOCATION: Calgary Office

RESPONSIBILITIES:

The position of Land Manager will be an integral member of the Mancal Energy team. Reporting to the President, the Land Manager will be responsible for all aspects of Mancal Energy's Land program while supervising a staff of one. These responsibilities will include, but not limited to:

- negotiation of agreements for the acquisition of land;
- preparation of written agreements for the acquisition of land;
- develop and maintain contacts with counterparts at other exploration and production companies for the purpose of furthering exploration activities;
- work collaboratively with other team members in pursuit of company objectives;
- ensuring that effective land administration system is in place.

QUALIFICATIONS:

To meet the challenge of this role, we are seeking a motivated, self-starter with outstanding computer, reporting and people skills who works well under minimal supervision. The successful candidate will have a Bachelor degree in a related field, be a member of CAPL along with a minimum of 10 years of oil and gas experience. Candidates must demonstrate strong management skills, be familiar with all aspects of industry including exploration, operations and production with particular strength in negotiations. Knowledge of MS Word and Excel are essential.
